Hi Tim -

Thanks for your heads-up voicemail - I appreciate it! I know that you and Chris actually connected on the phone, so I figured I'd just send you a quick email letting you know I

did get your voicemail. I've been at our Project Office during the entire review period in case anyone from the community wants to come in and chat about the documents, so I'm just relying on voicemails since I'm not at my office phone (luckily they come through on my email). We'll keep an eye out for the official letter on Friday.

Thanks again!

Vanessa
